CUSTOMER REQUIREMENTS AND OBJECTIVES

1. Customers borrowing requirements and objectives and resulting benefits (e.g. refinance at a lower interest rate to reduce loan payments)

2. Specific features requested, and any associated risks or costs (e.g. fixed rate, offset account)

3. How does the product meet the customer's requirements and objectives? (e.g. 3 year fixed rate provides repayment stability and access to offset for budgeting flexibility)

Select from the following options

- Principal and interest
- Interest only because we want to reduce repayments for XXX years
- Interest only because this is an investment property and we want to use our cash to reduce other non-tax deductible loans first
- Line of credit
- Construction loan with progress payments
- Interest capitalisation (e.g. bridging loan and reverse mortgage)
- Ability to make additional payments
- Ability to 'switch' from fixed to variable (without having to refinance the loan)
- Electronic banking (internet, mobile device), including access to redraw and offset

- Debt consolidation (feedback loan purpose not requirement)
- Interest in advance
- No specific requirement

- A low interest rate loan so we can repay the loan faster
- Lower repayments by having a longer loan term (which over time will incur more interest because the loan is being repaid more slowly)

OTHER LOAN DETAILS

I/We confirm that:

- a. The income and expense information provided within the application are those obtained from the applicant/s during my preliminary assessment.
- b. I collected the individual documents and verified the identity of the applicant/s via a face to face meeting. If I was unable to meet the customer face to face, I have utilised the approved Identity Agent. Only where the customer can not be seen face to face and is not able to utilise the approved identity Agent I have instructed the customer to use the Certified Identification Form (CID). All copies of the original identification documents have been certified by either myself, the Identity Agent or the approved Certifier by signing, dating and endorsing the copies as a true copy of the original. I have cross checked these documents with information provided via the application form. I will retain these documents and will make them available if requested. I'm aware this application will be audited.
- c. I have made reasonable enquiries and based on the information provided to me by the applicant/s the recommended product is NOT UNSUITABLE on the basis that it is consistent with the applicant/s requirements and objectives and the applicant can comply with their financial obligations without substantial hardship.

Yes No **If no please provide details:**

e. For interest only term loans and line of credit:

- The interest only period aligns with the applicant/s requirements.
- I have explained the following additional risks and costs of an interest only term to the applicant/s: interest only repayments will not pay off any principal during the interest only term; the repayments required to pay out the loan will increase after the interest only period ends to cover both interest and principal reductions; and the applicant/s may pay more over the life of their loan than if there was no interest only term.

f. The applicant/s is not disadvantaged by any conflict of interest in relation to incentives or commissions that I may receive for writing this loan.

g. I have ensured the applicant/s understands the above risk and wishes to proceed

h. No conflicts of interest exist between the applicant/s and myself (e.g. the transaction is at arm's length and the applicant/s is not a friend, partner or family member)

There is no conflict of interest that exists between the applicants and myself (e.g. the transaction is at arm's length and the applicant/s is not a friend, partner or family member.

PRIVACY NOTICE & CONSENT

This privacy notice and consent relates to an application (the application) you make to a mortgage manager for a loan (your loan) or in which you offered to guarantee the applicant's loan obligations or your loan or a guarantee of the loan. It includes consents from you to disclose certain information to other organisations described below. Your loan may be consumer credit or commercial credit.

The mortgage manager will submit the application to a credit provider to consider. If the credit provider approves the application, it may seek lender's mortgage insurance (LMI) cover from a lender's mortgage insurer or title insurance cover from a title insurer or both in relation to your loan.

In this privacy notice and consent, "credit eligibility information" means information an organisation described below obtained from a credit reporting body or that is based on information obtained from a credit reporting body.

PRIVACY NOTICE

This privacy notice tells you how certain organisations collect information about you, what they use the information for and who they share the information with. If any of those organisations collect information that can be used to identify you, it will take reasonable steps to notify you of that collection.

ORGANISATIONS THAT COLLECT INFORMATION ABOUT YOU

This privacy notice and consent covers the organisations that may collect information about you relating to the application or your loan or a guarantee of the loan that are listed in the Schedule. Each of those organisations is described below separately as "we" and "us". The LMI insurers and the title insurer are described together below as "insurers".

HOW INFORMATION IS COLLECTED FROM YOU

We will collect information about you from you directly whenever we can. Most information will be collected from the application and from the records we maintain about the products or services you receive from us. We may verify that information from sources referred to in the application or in this privacy notice and consent.

Sometimes an LMI insurer may also collect further personal information about you during the course of the LMI cover provided to the credit provider for your loan. The terms of this notice and the LMI insurer's Privacy Policy and Credit Reporting Policy will apply to the collection, use and disclosure of that information.

HOW INFORMATION IS COLLECTED FROM OTHER SOURCES

Sometimes we will collect information about you from other sources as the Privacy Act 1988 permits. We will do this only if it's reasonably necessary to do so, for example, where:

- we obtain information (including commercial credit information concerning your credit worthiness or history, consumer information and collection of overdue payments information) from a credit reporting body for any purpose described below;
- we obtain information about your loan or a guarantee of the loan from another organisation described above;
- we can't get hold of you and we rely on publicly available information to update your contact details;
- we check property, you offer as security, through public registers or our service providers; or
- we exchange information with your legal or financial advisers or other representatives.

WHEN THE LAW AUTHORISES/REQUIRES COLLECTION OF INFORMATION

There are laws that affect organisations that may require us to collect personal information about you. For example, we may require information about you to verify your identity under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

We or the lender may verify your identity via electronic means.

HOW YOUR INFORMATION MAY BE USED

The credit provider or the mortgage manager may use information about you for purposes including:

- Giving you information about loan products or related services;
- Considering whether you are eligible for a loan or any related service you requested;
- Processing the application and providing you with a loan or related service;
- Administering your loan or any related service, for example, to answer requests or deal with complaints;
- Identifying you;
- Telling you about other products or services it or its related companies make available and that may be of interest to you, unless you tell them not to;
- Allowing it to run its business efficiently and to perform administrative and operational tasks;
- Preventing or investigating any fraud or crime or any suspected fraud or crime;
- As required by law, regulation or codes binding it; and
- Any purpose to which you have consented.

You can let the credit provider or the mortgage manager know at any time if you no longer wish to receive direct marketing offers from them. They will process your request as soon as practicable. Also, the credit provider or the mortgage manager may use credit information about you to:

- enable an insurer to assess the risk of providing insurance to the credit provider or to address the credit provider's arrangements with the insurer;
- assess whether to accept a guarantor or the risk of a guarantor being unable to meet their obligations;
- consider hardship requests; and
- assess whether to securitise loans and to arrange securitising loans the lender makes.

An LMI insurer may use information about you:

- to decide whether to insure a lender under an LMI policy;
- to assess the risk of you or a guarantor defaulting on your obligations to the credit provider;
- to administer and vary the insurance cover including for securitisation and hardship applications;
- to verify information that the LMI insurer collects about you;
- to deal with claims and recovery of proceeds including, among other things, to enforce a loan or a guarantee in place of a lender if the LMI insurer pays out an insurance claim on your loan or the loan you guarantee;
- to conduct risk assessment and management involving credit scoring, portfolio analysis, reporting and fraud prevention;

- to comply with legislative and regulatory requirements including requirements under the Privacy Act 1988 and Insurance Contracts Act 1984 as amended from time to time;
- for a mortgage insurance purpose relating to you; and
- for any other purpose under the insurance policy the LMI insurer issues to the credit provider relating to your loan.

The title insurer or its related entities may use information about you:

- to assess the risk of providing title insurance to the credit provider;
- for the subsequent administration or variation of the title insurance policy;
- for risk assessment, reporting, fraud prevention, enforcement and claim recovery activities;
- to discharge your existing mortgage over the security property and register your new mortgage over the security property where a refinance is taking place;
- to deal with claims and to enforce a loan or a guarantee in place of the credit provider if the title insurer pays out an insurance claim on your loan or the loan you guarantee;
- for a title insurance purpose relating to you;
- to comply with legislative and regulatory requirements; and
- for any other purpose under the contract between the credit provider and the title insurer.

WHAT HAPPENS IF YOU DON'T PROVIDE INFORMATION

If you don't provide your information to us, it may not be possible:

- to provide you with the product or service you want. For example, if information is not disclosed to an insurer, it may not be able to process the credit provider's request for insurance. In that case, the credit provider may not be able to assess this application;
- for the credit provider or a mortgage manager to manage or administer the loan the credit provider makes to you;
- verify your identity or protect against fraud; or
- in the case of the credit provider or mortgage manager, to let you know about other products or services that might be suitable for your financial needs.
